

Industrial Batteries

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we, Crown Lift Trucks Ltd., produce lead acid batteries, which are installed in our WAV 50, WAV 60, WF 3000, ST 3000 and SX 3000 vehicles.

We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling, which have been installed in the products listed above. We are required to do this in any calendar year we place new industrial batteries on the market.

If any of our customers, or in certain cases other end users, require us to take back industrial batteries, they should contact us at:

Crown Lift Trucks Ltd.
Rutherford Road
Basingstoke
Hampshire RG24 8PD

telephone 01256 300200

e-mail info@crown.com

We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
